Editors Debbie Coody and Jacob Tsotigh plan ahead on Annual Contents.

We are caught in the winds of involvement. Throughout the year we were repeatedly excited by the many aspects of school life. Many students realized the true meaning of involvement for the first time in their lives. We have attempted to capture these moments throughout the pages of "Involvement '72."

We would like to extend our gratitude to the faculty and administration for helping us, the student body, keep our feet on the ground while being swept about by these winds.

We, the annual staff of 1972, would now like to present to you our version of involvement in this year's OWL. We hope you will find it a rewarding experience as you begin your trip through the pages of "Involvement '72."

WINDS OF

INVOLVEMENT

Winds of Involvement

Bring Dedicated Teacher to Elgin

The Staff dedicates the 1972 OWL to one who has been involved with school and community activities of Elgin for many years. Mrs. Matt "Bebe" Johnson was a member of the Elgin faculty for 30 years; 1926-1932 and 1946-1970. During this time she has had students in English, Art, Biology, Geography, and Fifth to Eighth Grades. Mrs. Johnson was also a student at Elgin, completing her first year in school here.

Appreciation for the beauty of nature has been implanted in students and friends through Mrs. Johnson's talent in oil and pastel painting and photography. This talent has been shared freely with others.

Religious activities include work with Sunday School classes, W. S. C. S. and Eastern Star.

While her husband, Matt, was in the service, Mrs. Johnson was involved in the war effort by working in a machine plant in California. They now reside in Elgin, where Mr. Johnson is engaged in farming and ranching.

We feel we have selected a person who has been truly involved with youth, who has instilled in us a desire for learning and an appreciation for the aesthetic. We hope these pages in the 1972 OWL reflect some of the influences that Mrs. Johnson has had on our lives.

The Staff

Mrs. Matt Johnson

On her retirement in 1970, the Elgin Alumni Association presented Mrs. Johnson a bouquet of red roses in recognition of her contributions. The school presented her with a diamond pin.

Board of Education

“Involved in School Expansion”

PRESIDENT
Mr. Charlie Bob Oliver

The Board of Education is much like the Board of Directors of a big business corporation. It takes a good Board of Directors in order for the business to become profitable. The Board of Education of Elgin High School certainly has done its part in making this school one of the finest in the southwest. The Annual Staff of 1972 would like to thank them for their efforts and involvement in their school and community.

Realize

I have no doubt that the most important and most difficult task facing the educator of today is to provide each student with enough knowledge to recognize his potential; and then to provide sufficient working tools to enable each student to realize that potential. Community support is invaluable in this undertaking. I am quite pleased to say that this support is very evident from day to day within our school environment. We appreciate your continued efforts to help in this most important endeavor.

Helps Students Potential

I am constantly reminded to humble myself because of the respect the student body shows, and have the desire to maintain this relationship throughout the school term. Again, I appreciate the respect and attitude of the student body.

Teacher Receives State Recognition

Charles Spencer, Elgin Vocational Agricultural teacher, attended the national meetings of the American Vocational Association, held at the Portland-Hilton Hotel, Portland, Oregon.

Mr. Spencer's expense paid trip was his award for being selected one of the two top beginning agricultural teachers in Oklahoma. The selection was limited to those having taught five years or less.

A graduate of Elgin and OSU, Stillwater, he had won honors as a Future Farmer, State Farmer, and American Farmer in the vocational program. He received his Master Degree in Agricultural Education from OSU in 1970. Mr. Spencer has been teaching in the Elgin School system since 1968.

Vo-Tech Provides New Opportunities

This is the first year that Elgin has had the opportunity to participate in the Area Vocational Technical School in Lawton. Some 30 Juniors and Seniors from Elgin are bussed each day to the school in Lawton, leaving Elgin at 8:20 and returning after Vo-Tech classes at 12:30. The students eat lunch in the cafeteria at the Vo-Tech and

arrive in Elgin in time for afternoon classes.

Programs that the students are enrolled in are: Unit Records, Mid-Management, Air-Conditioning and Refrigeration, Auto Body, Electronics, Food Service, Auto Mechanics, Medical and Dental Secretary, Business and Office Practice, Building Trades, and Diesel Mechanics.

Students have a chance to get acquainted while standing in line for lunch at the Vo-Tech Student Cafeteria.

Coaches' Combined Efforts Lead to Impressive Season

MR. DELBERT SUANNY has compiled a 17-6 regular season record in his first year as coach of the owls. We feel that the showing of this year's team is an indication of what is to come in the future for the owls.

Second year COACH DAVID MARR has led the Owlettes to an impressive season against tough opposition. Since Coach Marr's arrival at Elgin, the Owlettes has shown steady improvement.

Mrs. Velma Ridgway's music classes have a variety of activities--group singing, theory, listening, body action for games, and rhythm.

Music Can Be Fun

Special Education ---

Newest Involvement

Our new involvement for '72 is the addition of Special Education in the Elementary School.

Many activities are planned to develop the pupil's interest in school. Individual instruction is possible with the smaller class. Each child works at his own rate of speed and is not competing with others.

Mrs. Virginia Virgil, the Special Education teacher, received special training in this work at Midwestern University, Wichita Falls. She is keeping up with new trends by continuing her college courses during the school year.

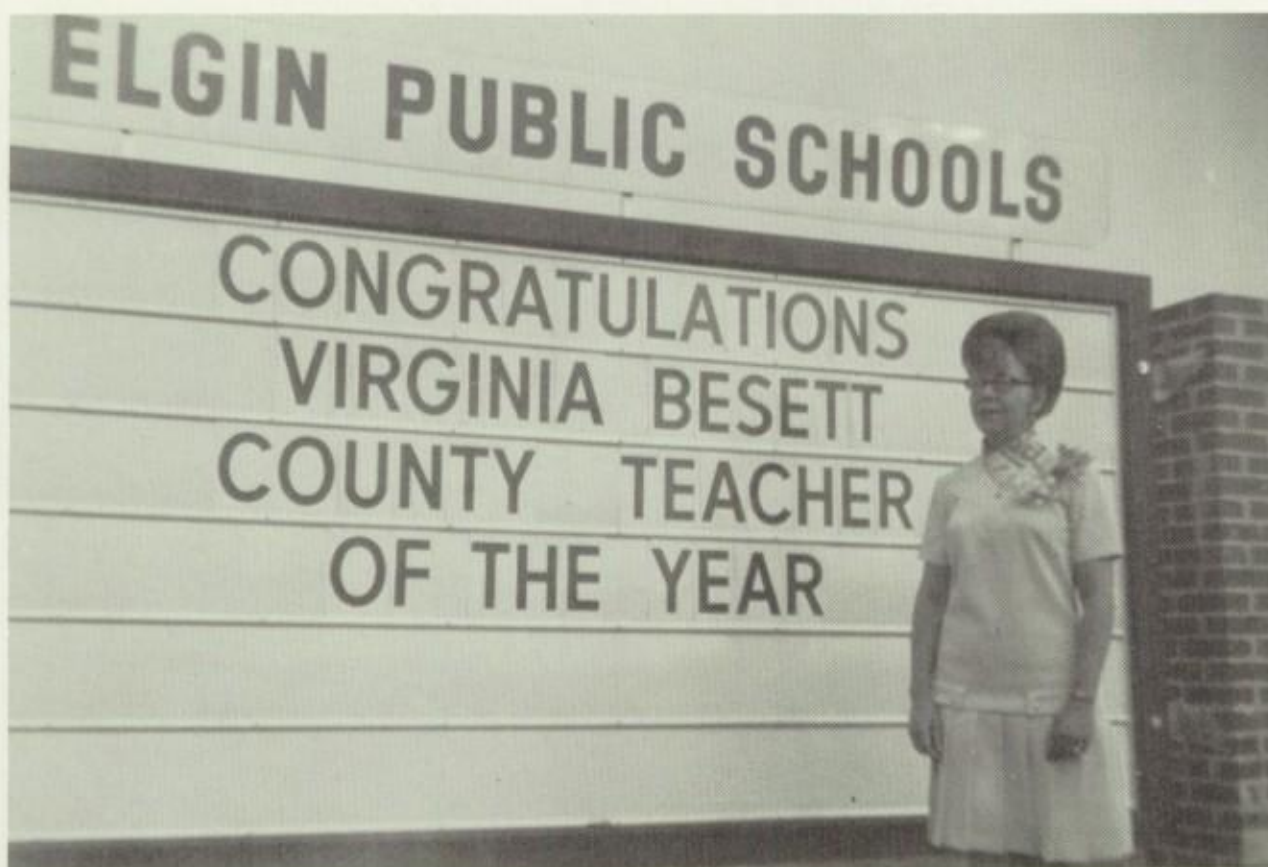

Remedial Reading Holds Interest

Mrs. Linda Erickson, Remedial Reading teacher, helps children with speed and comprehension. Many learning aids allow pupils to work at their own reading level.

Variety Offered In Physical Education

Tumbling is featured in Mr. Huelan Bracken's physical education classes. Basketball, relay races, and softball round out the program.

Mrs. Besett received the honor of teacher of the year at the annual county teachers' banquet held April 28, 1971, at the Hotel Lawtonian. Mrs. Besett is an efficient, inspirational, and cooperative teacher. She is deeply interested in the welfare of others. She always has a word of praise for a job well done and a word of reassurance for someone who is discouraged.

Faculty Member Receives Honor

These students are to be commended for the work they do at the grade school. They spend an hour each day helping as student aides.

STUDENT AIDES, FRONT ROW: Beverly Rutherford, Linda Oakley, Donna Bernard, Charlotte Guy, Cindy Sage, Terri Meehan, BACK ROW: Debbie Meehan, Donna Dodd, Nancy Hilliary, Barbara Doggett, Mary Schroeder, Debbie Cypert, Darla Hartless, Shirley Barfield Molsbee.
